From

Sir,

Subject APPOINTMENT OF SECRETARY TO THE CORPORATION COUNCIL

With reference to your letter No L 8113 dated the 26th August 1952 on the above subject, I write to state as follows -

Before the advent of the Corporation there was a Secretary in the erstwhile Municipal Commission, Civil Station, Bangalore on Rs 300-10-400 With the coming into existence of the Corporation by the merger of the two Municipalities the place of a Council Secretary was created on a reduced scale of pay of Rs 150-10-200-20-300, and included in the Schedule of Establishment, which was approved by the Corporation on 30-12-1950 and sanctioned by Government in G O No 11018-23/C M 5-51-8 dated 5/9-1-1952 The appointment of Sri M Gurusiddiah, as Council Secretary on his own pay was approved by the Corporation on 30-12-1950 and sent to Government on 15-10-1951 for approval The present suggestion in your letter under reference to entrust the Council work to a senior clerk is not feasible for several reasons

In all the Corporations the posts of Secretaries to the Council exit To quote by way of instance, the Council Secretary in the Corporation of Madras is placed in the scale of Rs 250-25-500 while the Secretary in the Corporation of Bombay is paid Rs 1,200/- Even the new

Corporations of Poona and Ahmedabad have got secretaries paid on the scale of Madras Such being the case, the Corporation decided to have the Council Secretary on a lower scale of pay of Rs 150-10-200-20-300 The present proposal is to fill up the said place A Law Graduate is preferred for this place as the knowledge of Law is very essential in dealing with Council matters and therefore any lower scale will not be attractive for Law Graduates to accept this place

As for the functions of the Secretary, besides attending to the three or four Corppration meetings held every month, the Council Secretary shall attend to the work of the following Six Standing Committees which are statutory committees which meet almost once a week both in the mornings and evenings so that the Secretary will have to arrange for the meeting of one or two committees daily

1 - Accounts
2 Health
3 Taxation & Finance
4 Town Planning & Improvements
5 Works
6 Education

These apart there are five or six Sub-committees which also have to be attended by him

The Secretary has to attend all the meetings of the Standing Committees and Sub-Committees in addition to his routine work between 11 and 5 P M and very often till late in the night up to 8 or 9 P M to attend to the work connected with those meetings . He has to prepare the agenda, notes etc , for every meeting and act as a laison officer between the Corporation and the Committees on one side and the Commissioner on the other It is thus a responsible post and as such it is very necessary to have a responsible officer in this place It is neither possible nor advisable to entrust this responsible work to a clerk The Corporation considered all these aspects and after a careful consideration decided to create this post of the Secretary on the above scale

The present incumbent before he was appointed to this place was interviewed by the Commissioner and later on by the Taxation and Finance Committee He was before this appointment working as Superintendent, Beggars' Colony (Gazetted Post) with his permanent lien on the Municipal side and he was transferred as Council Secretary as per Government Order No E 4539-41/BR-1-50-33 dated 24-8-1951 on his own pay of Rs 200/- in the above grade

In the foregoing circumstances, I request you to kindly obtain sanction of Government to the resolution of the Corporation dated 30th December 1950.

Forwarded with compliments
